Brief outline of your organisation's activities (max 200 words):

Brief outline of the project you'd like supported (max 200 words):

Theatre Development Trust has three core goals, which will your project address?

- Audience Development – including encouraging younger theatre goers and increasing diversity and access for new theatre goers across all sectors of society.
- Workforce Training and Career Development – including addressing skills shortages, entry routes, in career training and inclusivity.
- Access Requirements – exploring sustainable models for all aspects of Access performances.

Approximate funding request: £

Please submit this form to tdt@soltukt.co.uk if the team consider the project has a good chance of a successful application, you will be invited to submit a more detailed application, using any media you choose.

If successful at that stage funding will be available for projects starting from January 2024.
